Dated 27.05.2020

Press Release

CBSE will be holding examinations of remaining subjects from 01.7.2020 to 15.7.2020. It has come to the notice that due to closure of schools because of spread of Covid-19 and lockdown, some students are now not present at the station from where they were appearing in the examinations, prior to postponement of the examinations, and it would be difficult for them to appear in the scheduled examinations from their existing examination centre.

Keeping in view the problem of the candidates, who have shifted to other districts than the district of their examination centre, CBSE has decided to shift their examination centre to their present district. In this regard, notification will be issued by CBSE in the first week of June, 2020. Such candidates are informed that they should remain in touch with their own schools and as soon as CBSE issues notification, they are advised to take suggested action.
