Date: 10-02-2020

Dear Parents,

The photographs and the video recording of the **UNISON – XII 2019** are available with the school. Like last year, this time also we have made it possible to have the entire set of the photographs and the video recording of the event (Day wise – i.e. Day 1 & Day 2 separately) in a compiled digital format with **High Resolution, Full HD** photographs and Video Recording.

We anticipate the **following benefits** of this facility:

- **Since the photos and the videos will be in digital format, it will be convenient to access the same in a variety of ways.**
- **It will also reduce the trouble of selecting the photos, mostly by the small kids.**
- **Storing the same will also be more convenient.**
- **Cost wise also it will be very feasible as one will get entire set of photos as well as video in Full HD Format.**

If you are interested in procuring the same, then you / your ward can place the order through the Class Teacher by filling the form given below along with a sum of **Rs. 500/- latest by 17.02.2020**.

Yours sincerely,

SUKANTA GHOSH
